ACCESSORIES

- **Art. 308-01 Console-700** ([info](#))
This product is necessary to manage the shot clocks. The console can also control all FC- and FS-series scoreboards.
 If you do not have a Console-700, we suggest you purchase the complete KIT: **Art. 268-02 KIT 2 WSC-24s Wireless 24-30s displays + Console-700** which includes:
 - 2 art. 268-10 WSC-24s Wireless 24-30s displays
 - 1 art. 308-01 Console-700 ([info](#))
 - 1 art. 308-10 Case-700, case for Console-700
 The 24 seconds can be managed from a specific menu ([picture](#)) or even from a general menu ([picture](#)).
- **Art. 232-03 Time-Console-03** ([info](#))
 Small **optional** console. External control to connect to the Console-700, perfect to allow the shot clock operator to operate separately from the scorer.
