Épée

Electronic fencing target

Electronic Fencing Target, EFT-1

EUR 645.00 (art. 970) Size: 63x46x5cm.

**SUGGESTED
SPORTS**
Fencing

Electronic target for fencing training.

A great teaching aid for fencing masters, who can program multiple types of exercises by setting various parameters for each exercise depending on the abilities and needs of their students.
A must-have for all fencing halls.

Electronic device to testing the fencing weapons and body-cords

TESTER-A2

EUR 680.00 (art. 899-02) Size: 21,0x12,0x14,0cm.

**SUGGESTED
SPORTS**
Fencing
Foil
Épée
Sabre

Portable professional electronic Tester, with **rechargeable battery**, for measuring **contact and dispersion resistance** and for signaling possible **micro-breaks** in **weapons** (foil, epee, sabre) and in **fencing equipment** (bodycords, reels, conductive jackets and t-shirts, cables, etc.).
With **OLED graphic display** for visualizing measured values.

TESTER-A1

EUR 57.00 (art. 898-1) Size: 3,8x5,5x2,9cm.

**SUGGESTED
SPORTS**
Fencing
Foil
Épée
Sabre

Miniaturized electronic tester, with battery, to control the body-cords contacts and micro-breaking, for the three fencing weapons.

Electronic miniaturized devices for fencing training and aid

FTT-1

EUR 58.00 (art. 895) Size: 7,6x4,8x1,6cm.

**SUGGESTED
SPORTS**
Fencing
Foil
Épée

Miniaturized signalling device for foil and epee hits, and tester for the body-cords of the three fencing weapons.

MINI 01

EUR 60.00 (art. 896-1) Size: 4x5x1,7cm.

**SUGGESTED
SPORTS**
Épée

Miniaturized electronic signalling device, with battery, for hits of the fencing épée.

MINI-02

EUR 52.00 (art. 896-2) Size: 4x5x2cm.

**SUGGESTED
SPORTS**
Foil

Miniaturized electronic signalling wrist-device, with battery and without plug, for hits of the fencing foil.

MINI 03

EUR 50.00 (art. 896-3) Size: 4x5x1,8cm.

**SUGGESTED
SPORTS**
Foil

Miniaturized electronic signalling device, with battery and 2-pins plug, for hits of the fencing foil.

MINI-04

EUR 60.00 (art. 896-4) Size: 4x5x1,8cm.

**SUGGESTED
SPORTS**
Foil

Miniaturized electronic signalling wrist-device, with battery and 2-pins plug, for hits of the fencing foil.
